

6741 Robotics Booster Club

Booster Board Meeting 5.14.26

Attendees: Gabrielle Krauss, Krista Creger, Jeremy Kiner, Casey Paris

Public Session: 7pm

- Recap of previous season program accomplishments and financials
 - [2025-2026 Season Recap](#)
- Central JH Robotics Update for 2026-2027 season - there is currently no one available to run the program but efforts are being made to try to keep the program functional.
 - Discussion of how to potentially raise booster funds that are specific to funding a Jr High program
- Ben gave a brief update on potential corporate sponsorships that he is working on securing upcoming season
- VEX/RECF News - the separation of the two organizations from one another puts some holds on some decision making for the upcoming season but Dona is working with other Ohio coaches to create a plan and a united front in the approach to the upcoming season and the separation in a way that benefits the competitive nature and reputation of our state and still benefits the students.
- Interest in being part of boosters or getting more involved with the program - email secretary@picktigers.com
